THE ART OF FEELING

VISUAL ARTIST

Art is capable of touching the soul, of communicating ideas, thoughts and emotions. My painting is the way I relate to the world, the way I express what I feel..

REVIEWS

A refined chromatic and compositional wisdom that places Ripollés in the line of our masters of contemporary landscape painting.

Fernando Checa | Director of the Prado Museum

Ripollés' work is a colourful explosion where the multiple instants of figurative expressionism are manifested in a passionate treatment.

El Mundo Newspaper | El Cultural

Ripollés investigates and explores his own artistic determination, in a qualitative leap that fully confirms her singularity and mastery.

Francisco Jiménez-Alemán | Director of ABC Newspaper
